

Help us help the Chemung River and you. The Friends of the Chemung River Watershed, Inc. need your help to fulfill our mission of protecting and promoting the Chemung River; and getting folks to better use, enjoy and respect our beautiful natural resource.

We will do this through guided canoe/kayak trips, river hikes, bike treks, cross-country skiing and riverbank cleanups. We plan to build more boat launches, add and improve river trails and develop riverside education and safe boating programs for all ages.

We will preserve and protect the river's water quality, plant and wildlife habitat and the scenic beauty that is the Chemung River.

As a nonprofit agency, we depend on the generosity of people like you to help us make the most of the river and improve our environment, economy and your quality of life.

So please help us by becoming a member of River Friends and/or volunteering your time.
